Vanessa Gaudette
2117 E 6th Ave
Helena, MT 599601

Dear Ms. Gaudette:

Thank you for the information about "Multiple Chemical Sensitivity (MCS) Environmental Injury (EI) Awareness Month". Although I do not issue proclamations for days, weeks, or months, I am pleased to recognize "(MCS/EI) Awareness Month" in the State of Montana.

Preventing exposure to harmful chemicals is critical in protecting public health and safety. Reduction of hazardous chemicals in our environment can help eliminate "MCS and EI".

I applaud your efforts to educate the public about "MCS/EI" and raise awareness of prevention and solutions.

I encourage all Montanans to take time to learn about this illness and recognize May, 2009 as "(MCS/EI) Month".

Sincerely,

A handwritten signature in black ink, appearing to be "B. Schweitzer".
